## PRESIDENTS REPORT

The New Year for our club opened with all our regular diners welcoming us back. They missed their good food and friendly atmosphere.

Our first function night – the Fasching Fancy Dress was very well attended, with members and guests dressing up in the spirit of the occasion. See the photos in the colour section.

This was followed in March by a visit from the Austrian band – Die Laterndl. Following photos in the Manly Daily and the on-line segment of the guys playing Austrian music on a cold and windy Manly Beach, the club was packed on Saturday March 23<sup>rd</sup>. The band played the music we love and remember from Austria. The new generation and our Aussie members had a ball too, even if they don't remember the old times. I very strongly suggest that even if you have joined our club because of the great food and the terrific atmosphere, you try one of our dance nights. You'll come back for more!

The Austrian Club is still the "little club that could". **Without poker machines!** However, the club is run by volunteers, and our only income is from memberships, the bar, and entry on dance nights. If you love **YOUR** club, and love coming here, please think about helping out so that we can stay the great club that we are. We need people to work on the bar, and to help out at working bees, where there is work for everyone. We need gardeners to keep the grounds looking spruce, and we need people to just give everything a good clean. We need to dismantle the old chairs ready for the tip.

Our sub groups welcome new members and would love to hear from you. Details on page 2.

Please come to the Club often, say hello to me when you get there, and if you have any queries or offers of help phone me.

## KAISERSCHMARRN—sweet chopped pancakes

The Austrian "Mehlspeisen", or "flour desserts", have their own magic. The king of all "Schmarren" became one of Emperor (Kaiser) Franz Joseph's favourites. He famously tried the Kaiserschmarrn at a small country inn and praised the dairyman for his culinary prowess.

### Ingredients:

120 g (4.2 oz./ ¾ cup) flour  
3 eggs, separated  
30 g (1 oz./ 2 tablespoons) sugar  
a pinch of salt  
about ¼ litre (1 cup) milk  
3 tablespoons butter  
raisins

### How to make it:

Mix the flour, egg yolks, sugar and salt with the necessary amount of milk to make a viscous batter. Let rest for 30 minutes.

Then beat the egg whites until stiff and carefully fold them into the batter.

Heat the butter in a pan, pour in the batter and sprinkle with raisins as desired.

Fry on the underside until golden brown, turn and finish cooking over low heat.

Using two forks, tear the pancake into small pieces and brown again very briefly.

Sprinkle with confectioner's sugar and serve with a fruity side dish.

Suggested side dishes: suitable accompaniments are the universally popular stewed plums or any kind of fruit compote.

## THE AUSTRIAN AIR RIFLE CLUB

	<u>February</u>		<u>March</u>		<u>April</u>	
1)	Walter Roth	407	Alan Price	409.3	Walter Roth	397.1
2)	Colin Whatman	406	Walter Roth	402.6	Erik van Voorthuysen	
3)	Andrew Iggo	405	Greg Aghayan	391.0	Greg Aghayan	368.0

The fun continues at the Shooting club on Tuesday nights. Our Monthly Shooting competition is held on the first Tuesday of each month. This year Walter Roth has been almost unbeatable with his consistent performance.

These friendly monthly competitions to win the wineglass keep us striving. We compete on handicap, so to win, shooters must be improving from their past performance.

The annual Easter Bunny shoot was held on the 27<sup>th</sup> March, and this victory was also claimed by Walter Roth, but closely followed by Andrew Iggo and Stephen Birrell, who all took home a very fine chocolate bunny.

We have a number of shooters now regularly shooting on a benchrest, which provides another interesting way to have a go at air rifle shooting.

**Larissa KALT**

**The shooters always welcome new members.  
Come along on Tuesday night at 7.30 pm and have a go.  
All members welcome.**

In Loving Memory of  
**Wolfgang Huebel**

6. 9. 1929 – 10. 3. 2018

He is survived by his wife Ursula, his daughter Kersten, his brother Hans, relations and friends. Wolfgang was cellar master for 16 years in the Committee of the Austrian Club.

## GOLDEN OLDIES

Our Golden Oldies AGM was on 18 March and still had 14 members attending, of which only 4 were still playing (5 were absent), which sounds ominous, but the fact that they still attend and pay their fees is positive. This confirms what I predicted long ago that our soccer club would evolve into a social club, which is good for the ones, unable to keep going physically, but are still with their partners part of our GO club.

Though before the '18 competition trials, we were still mustering up to 10 a side, but since our young players now train and play trial games, our 5 a side made President Peter Graf suggest placing an awareness advert in the Manly Daily. So thanks to Jenny Wandl we continue to keep our field from 10 to 12 on Sunday mornings and after the winter competition many of these youngsters will return again to remain fit during the next summer break.

The fewer players also badly affect our ability to make the most of our revenue raising functions, therefore it was suggested that GO sponsored functions would only be held in our Austrian Club to avoid budget blow-outs. Though we scraped through last year and are still in the black, but we have to look after the pennies.

Due to many players, including myself, being often overseas too long and though all elected position holders remained the same, it was agreed that the Treasurer's position would be taken by John Vitusek, who does not venture far or long when functions are held, to enable tighter control of our finances. Thanks for that John.

Frank Lang, one of our oldest players (with the biggest trophy), who did not play for the last months is not feeling well and is undergoing tests. Frank, we know also in soccer you always played it safe and from all our guys and their wives, we wish you good luck and we hope to see you and Eva for a drink or a kick again soon.

After our soccer-free Easter weekend we look forward to seeing you all on the pitch.

**Pim RAVESTIJN (mob. 0407021669)**

### BAR VOLUNTEERS NEEDED

The Austrian Club relies on Volunteers to run the BAR.

Would you have some time to help run the BAR on a casual basis?

Do you have a current RSA (Responsible Serving of Alcohol) Certificate or be prepared to do the course to obtain your certificate (paid for by the club)?

Helpers are always needed, just let me know how often you can help and what day suits, Friday, Saturday or Sunday lunch or dinner.

## Heidi Hirschback

July 31<sup>st</sup> 1940 to January 30<sup>th</sup> 2018

Born in Graz, Austria, Heidi came to Australia in 1961. Having had a very good job as a secretary in Austria, she found the transition here difficult at first. Always very positive, she studied to improve her written and shorthand English, to the extent that she was employed by Bohler Steel assisting management in translations and communications with German-speaking colleagues.

She joined the Austrian Club in 1966, met Heinz Hirschback through the club, and they married in 1967. She served as ACS secretary from 1977 to 1982, during the busy years of building the club house. President Rudi Burst appreciated her many skills and professional approach. She came back to the committee in 1995, and was Vice President until 2002, when her husband Heinz (dec. 2006) was also Treasurer.

Heidi once again took over as Vice President on the death of Hermann Wandl in 2012 and continued in this position as Vice President to John Dagn until his passing in 2015. She then became Acting President until September 2016. During this time she felt the call of her roots and made visits to her beloved Graz on two occasions. During these visits she took an interest in the work of the Auslandsösterreicher-Weltbund, becoming their Australian representative. Health problems prevented her carrying on as President at the 2016 elections, but she remained a committed and faithful club member until the last.

Heidi we will miss your energy, your commitment, and your lovely smile.

## THE HISTORY OF THE AUSTRIAN CLUB

### The 1970s.

Presidents during this decade – Joe Wendelberger, 1970-1976, John Dagn, 1976 – 1979, Rudi Burst, 1979 – 1982.

Although dance functions were well attended, the club was struggling financially. New members were sought who would work to secure our own clubhouse. The Austria Kurier was established by Gerhard Scheibmair in 1970. A Ladies Auxiliary was formed by the dynamic Estonian Inna Ohandi with the brief of fundraising, social events and fun. Members such as Sigi Burst, Sabine Weissenberger and Ilse Heins worked to make the events profitable. Dances were held at the Estonian Club and the Forestville Memorial Hall. At one festival alone the hard working members managed a net \$1,200. Members prepared and supplied food, and everything had to be brought to the function and removed afterwards. Rudi Burst and John Dagn each kept half of the equipment needed for a function at their homes!

In 1973, the government released land in Grattan Crescent for community halls for different nationalities. With the help of then local politician, Dick Healy, the ACS was granted a site at a rental of \$50 per year. Architect Ernst Prügl produced full architectural plans which were finally approved in 1974. Fund raising to build the hall began in earnest. Apart from the dances, fundraising events were held by the Ladies Auxiliary in homes. The concept of Life Memberships was put in place. Members donated \$100 or the equivalent of 10 years' membership and became members for life. With Life Member funds, cash donations from members and supporters, a great deal of voluntary labour and sheer hard work, by 1975 the foundations were complete, and by 1976 it was reported that Rudi Burst as builder should be able to build the new hall to a plan enlarged to accommodate the 100 – 200 people currently attending functions. A long term loan of \$30,000 from Werner Kabeck allowed the project to progress to completion.

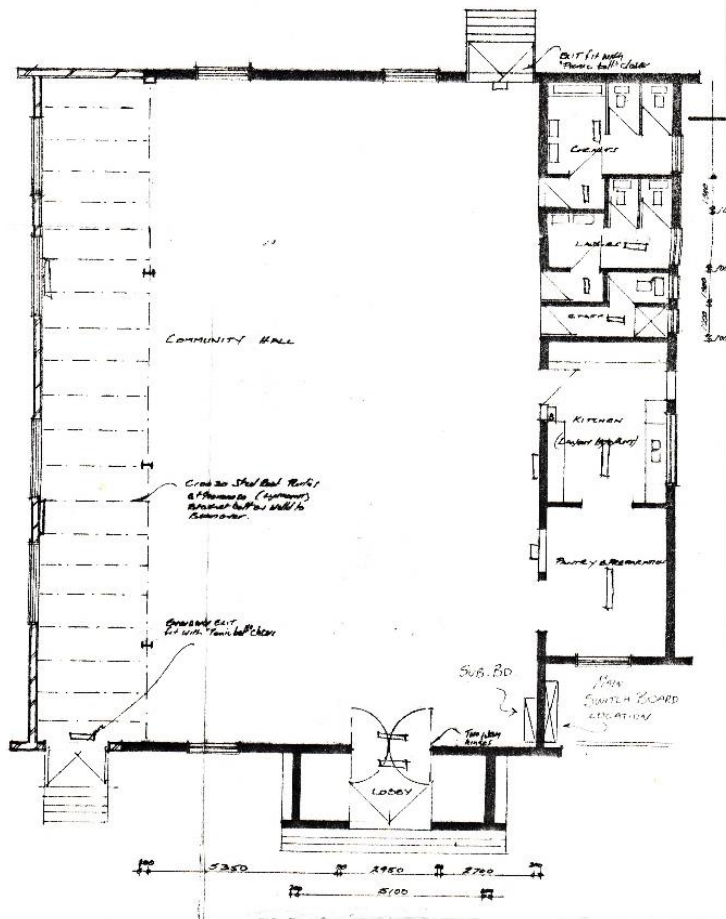

With the club now under the presidency of John Dagn, and our regular venue pre-booked by a rival club, the New Year's Eve Harbour Cruises began. Run by John and Hilde Dagn, these cruises ran for some 10 years. Using the "Royale" as a bare boat charter and with catering done by members, the cruises ran in tandem with functions at the clubhouse or in previous venues. Reimer Schmidt played the accordion and a great time was had by all.

The clubhouse was officially opened in July 1980. In his President's Report in the Kurier, Rudi Burst congratulated all the members who had worked so hard. He asked members to **"visit our and YOUR club regularly in the future, attend as many functions as possible and bring your friends along. We will do our very best to make sure that you have a good time."** These sentiments are echoed by our current president, Mark Grabe.

## WORKING BEES

Thank you to Judy Dlack for baking the cake for the morning tea.

Special thanks to John Riedl for cutting the bar door in half. We now have a stable door effect which makes beer serving a lot easier.

## "OVER THE HILLS" SOCIAL WALKING GROUP

On Sunday, 25/2/2018, we walked in the Garigal National Park. Just managed to get back to cars before rain got too heavy.

On Tuesday, 3/4/2018, we went to Thredbo. Only 9 people this year, so this may be the last trip to Thredbo. We had amazingly warm weather, enjoyed some lovely walks, a drive to Khancoban and, of course, visited the distillery. In evenings had our usual "happy hour" and gourmet meals. Thanks Alena for all your organisation.

On **Sunday, 20/5/2018**, we will go to Cockatoo Island for the 21<sup>st</sup> Biennale of Sydney (Australia's largest contemporary visual art event). Meet at Circular Quay at 9:30 AM ready to catch the 9:45 am ferry. There is a free 45 minute guided tour at 11:30 AM, 12:30 PM, 1:30 PM or 2:30 PM leaving from the Superposition Studio (building 124, Lower Island). Sunday 20/5/18 is "Community Day", with music, performances, talks, etc. Food & drinks are available, but you may prefer to bring a picnic lunch.

**Please phone Ella by 18/5/2018 if coming on this walk.**

On **Sunday, 1/7/2018**, we will walk in Riverview from Tambourine Bay to Warraroon Reserve. Meet at 10:00 AM at end of Tambourine Bay Road. Bring a picnic lunch.

**Please phone Ella by 29/6/18 if coming on this walk.**

On **Sunday, 29/7/2018**, we will go to Shark Island for a picnic. Meet at Circular Quay at 9:30 AM ready to catch the 9:45 AM ferry (cost \$20). There is a short walk around the island. Bring a picnic lunch.

**Please phone Alena by 27/7/2018 if coming on this walk - 0418 633 092.**

On **Sunday, 26/8/2018**, we will walk from Tascott to Woy Woy. Be at Hornsby in time for the 9:22 AM train to Tascott. As Tascott station is small, need to be in back of last carriage. There is an enjoyable walk along the Brisbane Waters back to Woy Woy. Will have lunch at the fisherman's wharf before catching train back to Hornsby. Hopefully there will be no trackwork this time.

**Please phone Ella by 24/8/2018 if coming on this walk.**

Other walks will be on **Sundays 23/9/2018, 4/11/2018 & 25/11/2018**. Please mark these dates in your diary now and keep them free so that you can join us on our walks.

## SCENIC AUSTRIA - DURNSTEIN

If you want to get to know the real Austria, there are many small beautiful towns to visit. Durnstein is one of these. You'll pass it if you are on a cruise down the Danube, but it's worth stopping off to see it in its entirety.

The medieval castle looming over the river is, according to legend, where Richard the Lionheart was imprisoned on his way back from the Crusades. In truth, that castle is further up the mountain and there is little to see of it. The castle that you can climb up to was built with the proceeds of Richard's ransom. The climb is well worth the effort for the fantastic views of the surrounding countryside. The centre is full of beautiful buildings from across all sorts of architectural styles.

Durnstein is right in the middle of an important wine-growing region, so you'll be able to check out some of the wine that Austria is known for. The most famous varieties are dry white wines, particularly the Grüner Veltliner which is sold in our club (ask for Lenz Moser).

Durnstein is in the Wachau, or Danube valley, about 1½ hour's drive from Vienna, and reachable by train. It is fantastic for bike riding along the banks of the Danube. It is also Austria's best apricot growing area. Watch out for shops selling Marillen Schnapps. Delicious!
