## PRESIDENTS REPORT

Hello All.

I hope that you had a really good Christmas and New Year, and perhaps a nice holiday as well. Jutta and I are doing a two-week trip around New Zealand's South Island in January. The club has been closed all of January to give our hard-working volunteers a rest and to have a good clean up. In early January we had the best working party ever, with some 20 members eager to help their club. The biggest thing we have done recently is to buy more barbecue tables, to create a beer garden out the front of the club. It will be lovely dining in the sunshine, beer in hand, schnitzel on your plate. Kids and dogs are also welcome. You will need to go into the club to order your feast, but otherwise enjoy being outside.

We have some wonderful entertainment organised for you in 2019. We start with the Fasching Fancy Dress party on February 23rd. Go as wild as you like. This is about having fun!

On March 23<sup>rd</sup> we will have a visit from two Musicians from Austria, The Kreuzberg Rebellen. They will put on a good show of old and new style Austrian music. Not to be missed!

Please note that on Function Nights such as the above, casual dining is only available until 7pm and you need to leave by 8.30pm. This is because we have to charge an entry fee to pay for our wonderful musicians, and so those booking for the show, which starts at 7.30pm, must take priority.

Why not book for the show and stay on for a fun night? It is a lot cheaper than going to a movie! And something you won't get anywhere else.

Membership renewals are now being sent out on the Anniversary of the month you joined. Those who have been members for a long time, got theirs in January. The rest will get them as the year rolls round. We know that you will renew – why would you not want to be a member of the best little club around? We are encouraging our members to renew on line and to receive their Kurier by email. We are coming in to the electronic age and hope that you will join us.

Please come to YOUR club often and enjoy the happy friendly atmosphere. Don't forget to say hello to me. I am nearly always there to look after you,

**Mark GRABE (9818 4083 or 0408 228 330)**

## Hermann Wandl's RINDSEROLLADEN (Beef Rolls)

### Ingredients:

4 slices beef top round steak (½-inch thick)  
salt and pepper, to taste  
prepared mustard  
3 onions, finely chopped  
3 slices bacon, chopped  
1 large dill pickle, sliced  
1 tablespoon vegetable shortening  
1 teaspoon tomato paste  
1 ½ cups beef stock  
1 tablespoon flour  
dry red wine

### Preparation:

Season beef slices with salt and pepper; spread thinly with mustard.  
Using about ⅓ of the onion, sprinkle beef slices evenly with onion, bacon and pickle.  
Roll up slices and secure with skewers, toothpicks or string.  
Heat shortening in a medium skillet.  
Add beef rolls; sauté until well browned, turning occasionally.  
Add remaining onion; sauté until light golden brown.  
Add tomato paste and stock. Season to taste with salt and pepper  
Cover and simmer about 1 hour.  
To thicken sauce, combine flour and a small amount of wine.  
Stir flour mixture into cooking liquid.  
Cook, stirring, until slightly thickened. Remove skewers.

## THE AUSTRIAN AIR RIFLE CLUB

There are no monthly results available at time of print. I will have them for the next Kurier.

The end of the year is always eventful for the Air Rifle club with serious and not so serious competitions being held. It's also the time of year when we chose the King or Queen of Shooters (Schützenkönig / Schützenkönigen), from targets that have been submitted throughout the whole year. The most perfect "bull" was submitted by Walter Roth and entitled him to be crowned our "King" for 2018. Hail King Walter.

A serious competition is that of Club Champion. Always an exciting but tense competition as everyone tries to get their very best score. The 2018 clear winner and holder of the title "Club Champion" was Larissa Kalt. Hard to beat!

The not so serious competition is our fun night held on the last shooting night for the year. It was a new style of competition with only 20 shots required but each shooter had to nominate what their handicap would be..... before they shot, to get the closest score to 200. It was a funny night with lots and lots of discussions, dodgy estimates and the ever hopefuls of scoring high. The prize, a wonderful Gingerbread House donated by member Andrew Iggo, was worth winning. Our winner (perhaps he with the crystal ball) was Alan Price who scored a perfect 200.

Congratulations to all our winners – very well done.

If you have never seen the rifle range in action and are intrigued, come down one Tuesday and take a look. You can have a try of shooting without a licence once the required paperwork is done. A phone call or message that you will be there would be appreciated.

Shooting will return on February 5 at 7.30pm and will be our usual monthly competition.

## Help needed – help given.

Getting Austrian musicians to come here and play for us involves getting them a working visa for the 3 weeks they are here. I have been arranging the visas for some 10 years now. Each year it gets harder. For the upcoming visit of the Kreuzberg Rebellen in March, I put in the visa applications in mid-November. Time went by and no visas appeared. In a phone call to Immigration just before Christmas the immigration assistant agreed that the visa was taking far more than the promised 27 days. Last Friday I phoned Tony Abbott's office in desperation, Tony being the local member for the area the club is in and also a long-time member of the Club. I was given a Canberra address to send an email to. On Monday afternoon I received a call from Tony's office and on Tuesday the visas appeared in my Inbox. An Austrian Saying – Ende gut, alles gut. I believe without this intervention by Tony's office I would still be waiting and worrying. Thank you very much, Mr. Abbott.

## GOLDEN OLDIES

Happy New Year to our Golden Oldies and to Committee and members of the Austrian Club. I write this from Wallis Island in the South Pacific, where we are with my daughter and her family.

Before we ended our season, we still had our Golden Oldies Dance, which under the circumstances went fine in terms of revenue, but with too many players missing, we are feeling the pinch of getting older when the younger players are NOT joining us on these evenings. Our Christmas Drinks after our last game was similar with ten members joining us, of which three were players. We actually did NOT play as too many were unavailable due to holidays etc. Over the last weeks we also missed quite a few games due to poor weather conditions. Let us hope that 2019 will be kind to us all in terms of our health, increasing members and decreasing injuries. It remains for me to thank Graeme Smith for printing this in the Kurier and also wishing you all a Happy New Year from me and my family at Wallis and Futuna. Hope to see you all again at the Pitch or at the Club in late January.

With kind regards,

Pim RAVESTIJN (mob. 0407021669)

## SCENIC AUSTRIA – Pilgrim routes in Austria

We hear much about people “walking the Camino” but Austria also has its share of beautiful pilgrimage walks. With such amazing scenery, your walk can be a joy, whether you are a pilgrim, or an enthusiastic “wanderer.”

Austria's oldest pilgrimage route is Via Sacra, the pilgrimage route from Vienna to Mariazell. On the evening of December 21<sup>st</sup>, 1157, the Benedictine monk Magnus came with his carved statue of Mary to Mariazell to serve as a pastor to the shepherds living there. Close to his goal however, a rock blocked his path. Magnus turned to the Mother of God for help. The rock split and he went on his way. He built a small wooden chapel, which soon became the religious center of the whole region. From the "Maria in the cell" emerged the name Mariazell. Since 1330 Mariazell has been one of the most important places of pilgrimage in Central Europe.

The Via Sacra Route from Vienna is a picture book of Austrian landscape and culture. The “Holy Road” today follows the federal highways 11, 18 and 20. Spiritual stations along the way are the monasteries of Heiligenkreuz, Klein-Mariazell and Lilienfeld as well as the pilgrimage church in Annaberg on the first “holy mount” of the Ötztal region. Among the other sacred objects along the way to Mariazell are the Spinnerin am Kreuz at the southern edge of Vienna, wayside shrines, chapels, and churches of art historical significance. The Via Sacra Pilgrimage Trail of today passes through the historical pilgrimage stations while avoiding the main roads between them. The “Mariazeller Autobus” (from Südtiroler Square in Vienna) enables individual day hikes along the Via Sacra. The bus schedule is available online at [www.postbus.at](http://www.postbus.at). The journey is a comfortable low-land hike with many art, historical and anthropological stations. Because of the many low-lying settlements with overnight accommodations the journey can easily be completed in four to five day stages of 25 to 30 kilometres. Departure points are the churches along the way.

## NEWS FROM THE COMMITTEE

Happy New Year to you all. The Committee members would like to wish you a very Happy, Healthy, Successful and Safe 2019.

The committee members would also like to thank you for your patronage over the years, especially the past 3 years, as we have achieved so much in this time in the way of improvements to your Club. We have replaced the old air conditioning unit for a new economical, power saving unit for your comfort. We have replaced the old plastic chairs – some 180 of them - for new padded chairs, again, for your comfort. The old carpet went as well and we have a nice new carpeting in the hall. The carpet in the back room will soon follow. We replaced the oven in the kitchen as 3 of the 5 burners hadn't worked for a long time. We bought a new deep fryer and range hood to cope with the increasing number of schnitzels being ordered, and the old fridge and other kitchen items were also replaced. We installed 6 new tables and chairs with umbrellas in the Beer Garden, creating a lovely place for outdoor dining. The toilets and plumbing were also improved and fixed and we bought a storage container to take care of the junk which used to clutter the back room. This room is now available for private parties.

We have used funds wisely as they became available, to make the club more comfortable for you.

Our Restaurant is open Friday & Saturday for dinner and Sunday for lunch and dinner. The Restaurant is proving to be extremely popular, with its ever-changing menu, so it's best to book.

Our bar is serving two tap beers, Erdinger (Wheat Beer) and Stiegl, and soon to be added is Pilsner Urquell, a Czech Beer. We have Gösser Beer (Bottle) plus other beers and full bar service for your enjoyment and convenience.

We are also open for ‘Special Events’ during the year, starting with Christmas in July – held of course in July. We hope to introduce other Special Events during the year for your enjoyment, so watch this space.

We would like to thank you for helping us improve your Club and making it what it is today.

Your (volunteer) committee members are committed to making your Club a family friendly, fun and delicious Club to visit. We hope to see you often in the Austrian Club in 2019.

### DINE IN OUR BEER GARDEN

With summer here and the sun shining, we suggest that you try Sunday lunch in our beer garden in front of the club. The tables are already out there, and we are getting them all smartened up so that you can dine with the kids and let them run around, while you are enjoying the food, beer and atmosphere. Book your table on 9975 3172 and tell us you will be sitting outside.

## LONG TERM MEMBERS LUNCH

The lunch for members who have been with the club through the formative years was a great success. Members came from places such as Coffs Harbour to be there and enjoyed catching up with people who they have not seen for years. There was talk of repeating the exercise. We would welcome ideas on how often this should happen. Perhaps another one mid-year.

Email your ideas to [secretary@austriancлубsydney.com.au](mailto:secretary@austriancлубsydney.com.au) or phone Maria 9979 9651, who will judge the level of interest and co-ordinate.

### Financial Reports.

We apologise for the lateness of the audited Financial Reports. We had unaudited Financial Statements at the AGM, but there were problems with the auditor being away at the wrong time. The audited report is now ready. Those wishing to get a copy can ask the Treasurer, Danny Roller to send a copy by email. Ask at [accounts@austriancлубsydney.com.au](mailto:accounts@austriancлубsydney.com.au). Hard copies will be available at the bar.

## THE HISTORY OF THE AUSTRIAN CLUB (continued)

### Land Purchase

By 1986, the interior of the club had been remodelled and we needed to turn our attention to the Lease. The club was on Crown Lands, leased from the Lands Department at a peppercorn rental for a "community hall." There was a covenant in the lease which precluded us from having a full license for the restaurant and bar. We operated on a "function" license – a cumbersome and restrictive procedure which demanded earlier declaration of every date in the year when the Club proposed a "function". These were the only times that liquor could legally be served. At a General Meeting in June 1986 it was decided by a large majority of members that we should buy the land, thus opening the way for us to apply for a full license. President Hermann Wandl initiated a programme of debentures to pay for the land, raising promises of \$26,000 of the required \$40,000 at this meeting. He promised \$5000 as did Patron Luis Hupfau. A list of donations appeared in the November 1986 Kurier. The Seethaler family donated \$2000, Dagn, Zechner, Bernleithner, Leithner, Marynissen, Swoboda, Kattner and Shaw families each \$1000. Fifteen other families bought debentures for smaller amounts, each very valuable to the project. Many of these debenture holders never asked for their money back on maturity, such was the feeling of support for the club at the time.

The purchase of the land set the scene for gaining the Liquor License, a struggle which will feature in the next Kurier.
