PRESIDENTS REPORT

Hello All,

Christmas in July was something different for the Club. Caz and Simon Wood and a group of friends worked hard to create the right atmosphere. The front was covered in snow, the hall was decorated for Christmas and the Tombola added to the fun. There was face painting and craft and movies in the back room for the children. The restaurant provided plates brimming with Christmas cheer. Thank you to all who helped make this day a success, especially Caz Wood who planned it all.

The Roaring Twenties Night in August was well attended and most people wore fun 20s gear. Carolyn Packer, Bill Dudley and the New Orleanians provided high energy dance music.

Father's Day was celebrated in style, starting on Saturday night and continuing all day Sunday with lucky dads being treated by their families. The Austrian Club is the place to be if you want to celebrate.

In October we have the Oktoberfest Weekend on October 18th, 19th and 20th. Details in the colour section. Sunday October 20th will be a family day with pony rides and games for kids, Oktoberfest food in the hall, sausage stand in the beer garden, market stalls and lots of fun for everyone. Come along and join in!

Our working bees have been very well attended, and I thank everyone who has helped in any way. You may have noticed that our grounds look very clean and tidy and the garden is looking great. Our club is run by volunteers and we want to keep it that way, but that means people need to volunteer.

Our AGM will be held on Sunday October 13th at 10am, followed by a light lunch. Please come along and support your club.

The Club will be closed from Sunday December 22nd until Friday January 31st. This is necessary because we plan to do some major works while the club is closed. Also our hard working volunteers and restaurant staff need a holiday.

See you back again in 2020.

Mark GRABE (9818 4083 or 0408 228 330)

HUNGARIAN GOULASH

Ingredients:

1 kg onions	2 cloves garlic (crushed)
1 kg stewing Beef (chuck is ok)	1 tablespoon tomato puree.
200 g lard—or oil or butter.	½ litre water
1 tbsp sweet paprika	1 dash vinegar
salt	a pinch of caraway seeds.

Preparation

Peel onions, chop.

Cut beef into medium-sized cubes.

Heat the lard in a large pot. Fry the onions, while stirring continuously, over a high heat until they become golden (not brown). The colour of the juice depends on the colour of the fried onions.

Add paprika, sauté for only 3 seconds (the goulash acquires a bitter taste otherwise). Douse with a shot of vinegar and the water.

Add the beef. Season with a pinch of salt, crushed garlic cloves, tomato puree and caraway seeds.

Simmer for two to three hours uncovered. Stir occasionally until the meat is soft but still firm and the goulash has acquired a beautiful red-brown colour.

Add water until you have a thick sauce

Note: This may also be cooked in the oven, but cooking should be long and slow.

THE AUSTRIAN AIR RIFLE CLUB

Monthly competition results are:

July		August		September	
1. John Riedl	409.5	Eileen Birrell	414.8	John Riedl	393.8
2. Hubert Habicht	401.2	Louise Smith	408.8	Danny Stasenska	393.7
3. Colin Whatman	396.0	Kathleen Birrell	408.5	Steve Birrell	393.4

Three competitions were held over the past months:

Firstly, the Tony Kalt Memorial MABROOK ESTATE Anniversary Classic. This is a handicapped competition with the proud winner being Eileen Birrell. Her name has been added to our perpetual shield, hanging in our display cabinet. Eileen and the runners up were very happy to receive a bottle each of Conspiracy wine, donated from the Mabrook Estate.

The second competition was the SFR medallion shoot with first place going to John Reidl. John received an engraved medal (see photo below of John and Hubert).

Our third competition was our Winter Championship and really, to come to shooting on some of those cold blowy nights, one is already a champion. Our Winter Champion winner for excellent shooting was Hubert Habicht. Hubert's name has been added to our beautiful trophy, also in the display cabinet.

Our AGM was held on 24 September. I will post an article in the next Kurier regarding outcomes.

Please feel free to call me if you are interested to try out shooting on a Tuesday evening.

SCENIC AUSTRIA

Kufstein, Austria – The “Pearl of Tyrol”

Kufstein is one of the best-preserved small historic villages in Austria. In the shadow of the Kufstein Fortress, on the banks of the Inn River, the town is easily reached by train or road. The Kufstein Fortress is unmissable from its dominant position on a hill overlooking the town. First mentioned as *Castrum Caofstein* in a document from 1205, the Fortress was of great strategic importance in battles between the German Bavaria and the Austrian Tyrol.

The **Festungsbahn**, a glass-walled funicular railway, whisks you to the top of the fortress in minutes. While the use of the funicular is included in the ticket price, there's a lot to see and learn when taking the stairs at least one way.

Bürgerturn (citizen's tower) with Heroes' Organ

This tower is home to a collection of exhibits of the famous Tyrolean Imperial Infantry and rifle companies. But the biggest attraction in the Bürgerturn of the Kufstein Fortress must be the Heroes' Organ. With 4948 pipes and 65 registers, the Kufstein Heroes' Organ is the biggest free-standing organ in the world. Inaugurated in 1931, the organ was built as a memorial to World War I victims. Every day at noon the sound of organ music erupts from the organ pipes. On a “good wind day,” it can be heard up to 10 kilometres away.

No visit to Kufstein is complete without a stroll down the quaint **Römerhofgasse** in the shadow of the fortress. The cobbled lane is the first on your right after crossing the Inn River from the train station.

The **Auracher Löchl** is one of the best-known traditional restaurants in Tyrol. After all, it's been around for more than 600 years! According to the owners, the Auracher Löchl is also home to the smallest bridge restaurant in the world. The Brückenrestaurant or bridge restaurant caters for 2 guests only.

The **Batzenhäusl Schicketanz** is Kufstein's oldest wine tavern. Interesting historic artefacts such as 16th century cannon balls await you inside, while the outside is decorated with colourful murals and traditional sayings.

Kufstein is home to the manufacturer of some of Austria's best export products – Riedel glass. Visitors to the **Riedel Glass factory** can watch how the different glass products are still blown with the mouth.

The **Kaiserlift**, one of the last one-seater chair lifts in Tyrol, takes you to 1,200 metres above sea level from where you have panoramic views of the mountains and valleys that surround Kufstein, Austria.

HISTORY OF THE AUSTRIAN CLUB

Entertainment

From the beginnings of the Austrian Club Sydney, entertainment has been a major source of activity, fundraising and enjoyment. In the early days barbecues were held at various homes, and there were dances at the Estonian Club in the City and at the Forestville Memorial Hall. There were Maypole Dances in May, fancy dress dances at any time of the year and on Mothers' Day a picnic in centennial Park.

Overseas entertainers came to visit. The most memorable was Freddie Quinn, the original “Seaman” and a German star of the 50s and 60s. Throughout the 70s the New Year parties were huge, so, later, were the harbor Cruises. From 1976 we hired the old Royale, not a beautiful boat, but we could do our own catering. The women worked for days making potato salad, the men heaved cases of beer on board, BBQ chicken was bought by the bucketful, Reimer provided the music and we took part in the parade on the harbour.

Once the Club-house finally opened on July 11, 1980, the celebrations covered two days, with Trudi's Alpine Family performing on the Friday and Lotte and Reimer on the Saturday.

During the 1980s, Hubert Bauer and the committee spent hours decorating the hall for special events. One ski ball featured a skier flying across the ceiling. Every ski ball had Glühwein for sale and raffle prizes donated by various ski supply firms. Once we even had a fashion parade of ski clothing. We danced to the Cosmopolitans, Jonny Horning and His Boys and Emil Klein.

But more fundraising was needed to improve the amenity of the hall. In the original design, the kitchen was where the bathrooms and stage now are. This meant that to reach the tables from the kitchen one had to cross the dance floor with a plate of food. - quite an adventure. So the Committee went into fund raising mode to finance alterations. A major fundraising function was The Great International Variety Show, for which the artists gave their services free. These artists included Trudi's Alpine family, the DRs, Marianne, Lotte and Reimer, the Rotuman Dancers, and heading the bill, the well-known yodeler, Mary Schneider and Chris King, star of the TV show “The Young Doctors”.

More next Kurier. Jenny Wandl

REGULAR HELP NEEDED

The bar is solely manned by volunteers and is the main source of the income we need to provide the amenity of this lovely place, and to do upgrades as necessary. It is wonderful to see so many members coming regularly. Your presence at the club helps the financial situation. But as the patronage grows, so does the need for people to run the show. We need bar attendants who are prepared to work at least one 4 hour shift per month. The club will pay for you to get your RSA, but we absolutely need that commitment in return. The work involves tending the bar, collecting glasses and bottles from the tables, inside and out, washing same, and restocking the bar fridge. Shifts are Friday and Saturday 5.30 to somewhere between 9 and 10pm, depending on how busy we are. On Sunday it is from 11.30am to 4pm and from 4pm to around 8 or 9pm.

Sunday afternoons we could also use volunteers who do not want to work in the bar, but would be happy to collect the glasses and bottles from the tables inside and out. **Please contact Mark Grabe to offer your services. 0408 228 330 or 9818 4083**

GOLDEN OLDIES

Other than at Father's Day and one or two rainy days, our Golden Oldies have been active, although with skeleton teams of five each. While we may be short in numbers, we definitely make up for it in speed and skills because of our mostly younger players. With Tom and Nandi being overseas, we did well, especially with Nandi being away the last weeks, we managed to get a few wins under our belt.

It is not his titanium knees, as they perform well, but it seems to be more his inability to hear or to comprehend advice. After his return we'll see what remedy we can find, as we just renewed his contract, so he can NOT retire yet.

Our AGM is coming up again, when we can discuss what we'll do with new "signings", though the pickings are slim with our low budget. Fortunately Johnny, our treasurer, who survived a minor health threat, is back on deck again to manage our high finances well with his "creative" accounting skills. Instead of our traditional Golden Oldies Dinner Dance, we plan to have this time a dinner with our team and our wives or partners.

Today we played six against six with nine young players. Unfortunately young Ferdinand goes back to Germany to study. We wish him well and thank him for playing with us.

Okay guys, besides my tongue in cheek and banter, as always, we like to see you on the pitch and at the club, and if not, Safe Travels and return safely, as we value your company, irrespective of what we mutter under our breath. 😞

"OVER THE HILLS" SOCIAL WALKING GROUP

On Sundays 21/7/2019 & 1/9/2019 the walks were cancelled due to ill health, people on holidays and, in the latter case, a clash with Fathers' Day.

On **Saturday, 5/10/2019**, we will do the Bridge to Bridge Loop walk at Jamisontown (part of the 570 km Great River Walk). We will only do a 7 km easy loop walk. Meet at carpark behind Coffee Club, 78 Tench Avenue, Jamisontown. We will have lunch at the Coffee Club after the walk.

Please phone Ella by 4/10/2019 if coming on this walk.

On **4/11-11/11/2019** we are having a week in Kangaroo Valley. Eight people are booked for this trip. If anyone else wishes to come please advise me or Alena (0418 633 092) ASAP. Arrangement details will be emailed to all attendees.

On **8/12/2019** we will have our end-of-year walk. We will do "The Heart of Manly Heritage Walk", followed by lunch at the Bavarian Bier Café, Manly Wharf. Meet at Circular Quay at 9:50 AM to catch the 10:00AM ferry to Manly.

Please phone Ella by 7/12/2019 if coming on this walk.

The first walks next year will be on **Sunday, 29/2/2020 & Sunday 28/3/2020**. Please mark these dates in your diary now and keep them free so that you can join us on these walks.

WORKING BEES

Two in the last 3 months!

Present were Judy Dlask, Mark Grabe, Jutta Grabe, Boris Jovicevic, Peter Keller, Steve Miller, Sylvia Miller, Graeme Smith, Louise Smith, Maria Spitzer, Charlotte Virtue, Cameron Virtue, Lachlan Virtue, Olivia Virtue and Jenny Wandl. Judy and Jutta brought delicious cakes for morning tea, and Sylvia put on Goulasch soup for lunch. Thank you one and all.

Our second work party was held on September 7th. A beautiful sunny day. Twenty-six people turned up to help garden, weed, prune, clean, tidy up, dust, polish, scrub and generally make the club look spruce for the period coming up to Christmas. Present were Karin Childs, Rick Childs, Hubert Dittrich, Judith Dlask, Jan Faustmann, Margaraet Faustmann, Alison Goetti, Arjen Goetti, Elodie Goetti, Robert Goetti, Jutta Grabe, Mark Grabe, Tom Hasenauer, Boris Jovicevic, Frank Lorenz, Steve Miller, Sylvia Miller, Mark Rinaldo, Ludwig Schmidberger, Leon Smith, Graeme Smith, Louise Smith, Maria Spitzer, Jenny Wandl, Elizabeth Wiesner, Simon Wood. As usual Judith Dlask and Maria Spitzer brought cakes for morning tea and the kitchen supplied a delicious and filling lunch.

NEXT WORKING BEE

Our next working bee will be on Saturday November 16th, starting at 9am, with pauses for morning tea and lunch.

ALL WELCOME!
